

GREEN BUILDER

**REMODELERS
COUNCIL**

The Home Builders Assn. of Greater Fox Valley
**invites you to join us for
a Green Building Seminar
“Building Green,
Can Make You Green”**

*Building “green” doesn’t have to be difficult or expensive.
In fact, there are many techniques and products
that will save you and your customers money!*

National expert Ron Jones will speak on how he and his team have continually “raised the bar” for green building and sustainable practices in their own market and beyond. Ron is the Editorial Director of Green Builder Magazine and founder of Green Builder Services.

Date: Wednesday, April 25th
Time: 8:00 – 12:00 pm
Location: St. Andrews Country Club - 3N441 Route 59, West Chicago
Cost: \$25.00 per person (includes continental breakfast and lunch)

8-8:15 am: Registration & Continental Breakfast
8:15-10:15 am: Presentation of market information, trends and lean construction techniques by the ‘Green Builder’ Ron Jones (Editorial Director, Green Builder Media)
10:15-10:45 am: Presentation on green products and cost-effective solutions by Event Sponsor
10:45-12pm: Green Building Table Top Product Presentations by HBAGFV Vendors
12pm: Lunch is served.

Please join us for this special event focused on lean construction techniques and green products!

A limited # of table top spaces are available for HBAGFV members to present their ‘green’ products and services. The cost for a table top is \$100 per company. Please contact the Association office if you are interested. Thank you.
