

Construction Waste Management Best Management Practices Program

Did you know that the Solid Waste Agency of Lake County (SWALCO) is working to implement the Lake County Solid Waste Management Plan which seeks to recycle fifty percent (50%) of the municipal waste generated in Lake County including at least thirty percent (30%) of all residential construction waste?

Did you know that participation in an on-site construction recycling program will soon be required in order to avoid fines?

This **free** program will provide an introduction to and background of construction material recycling, help identify compliance requirements and recycling service options.

Presenters:

Mr. William Turley, Executive Director, Construction Materials Recycling Association (CMRA)

Mr. Peter Adrian, Recycling Coordinator, Solid Waste Agency of Lake County (SWALCO)

Thursday, March 8th, 3:00 p.m.—5:00 p.m.
Cambridge Homes
800 S. Milwaukee Ave., Suite 250
Libertyville

Cost: Free

Cocktails and appetizers at Mickey Finn's following the program
